

MEMBERSHIP ROSTER & PRODUCT GUIDE

2022-2023

On behalf of TSLA, welcome to the 2022 edition of the Texas Surplus Association Membership Roster and Product Guide. Also known as the “Purple Book”. This guide is published annually to service our independent agents and their needs within the surplus line’s marketplace.

The Purple Book is an excellent resource for agents seeking assistance within the E&S sector. It includes information regarding Wholesalers, MGAs, MGUs, and the coverages they provide and how to contact them. It also contains information on continuing education topics that can be taught to your organization by our qualified members. Additionally, it outlines a listing of all our officers, directors, and committee members.

Our mission with the Purple Book is to provide a wealth of information to help assist our insurance agents and professionals. I believe it's a valuable resource for your E&S marketing needs.

TSLA distributes the Purple Book at numerous tradeshows throughout the year and to TSLA, IIAT, and FIWT members. You can download a digital version of the Purple Book at tsla.org. Don't hesitate to contact Jean Patterson if you require additional copies.

I want to thank TSLA's Executive Director, Jean Patterson, the TSLA Board of Directors, and the TSLA Advertising Committee. Thank you all for your hard work and dedication to this great organization.

If you have any questions regarding the Purple Book and TSLA, please reach out to Jean Patterson at jptsla@tsla.org.

Thanks again for your ongoing support.

Sincerely,

A handwritten signature in black ink, appearing to read 'JKT', written over a light blue horizontal line.

SCOTTISH AMERICAN

It's in the Sauce

Target classes go here?
HA!
There isn't much we can't do, so just send your submissions to one of our highly skilled underwriters via email, smoke signal, or carrier pigeon. But not fax. We stopped using those ages ago.

Scottish American was built on Awesome Sauce, a blend of all the best ingredients that make this company what it is.

It's not like everywhere else. We aren't trying to be.

INSURANCE GROUP
a Berkley Company

Dedicated to the Wholesale Market!

Products and services described above are provided through various surplus lines insurance company subsidiaries of W. R. Berkley Corporation and offered through licensed surplus lines brokers. Not all products and services may be available in all jurisdictions, and the coverage provided by any insurer is subject to the actual terms and conditions of the policies issued. Surplus lines insurance carriers do not generally participate in state guaranty funds and insureds are therefore not protected by such funds.
